

Parrisi's Rocky Mt. Grasses

- 363 *Poa alpina* L.  
364 *Munroa Synanona* Torr.  
366 *Muhlenbergia gracilis*, Trin  
367 *Aira breifolia*, R. Br.  
368 *Calamagrostis sylvatica*, D.C.  
369 *Buchloe dactyloides* Engelm.  
370 *Bouteloua oligostachya* Torr.  
371 *Eriocoma cuspida* Nutt.  
373 *Festuca* - very young - *subra*?  
376 *Poa lapa* Hooker.  
377 *Fisetum subspicatum* Beauv.  
381 *Friticum* - cf. *F. caninum* var *Gmelini*  
Ledeb.  
382. *Phleum alpinum* L.

Parry 1874, Utah.

1. *Anemone decapetala* (Coloradoana)
2. *Ranunculus Andersonii*, var. *tenuis* Wats.
3. *Delphinium azureum* "
4. *Myosurus aristatus*
5. *Rubus Fremontii* Torr.
6. *Arabis* I know not why this is not listed.
7. *Erchscholzia hypocoides*
8. *Platystemon Californicus*
9. *Arctomecon Californicum* Torr. !
10. *Streptanthus cordatus*
11. *Draba cuneifolia*
12. *Capsella divaricata*
13. *Trisanocarpus ~~elegans~~ curvipes*
14. *Physaria Aubreyi* Gray
15. *Biscutella* (*Dithyrea*) *Wislizeni*. Pods very broad.
16. *Lepidium integrifolium*, Nutt. ? or n. sp. var. *hirsutum* (Gray) S. Wats.
17. *Lepidium Fremontii* S. Wats.
18. " *montanum*
19. " *Mightii*
20. *Arenaria Fendleri*, var. *glabrescens*
21. *Stellaria Kingii*, Watson
22. *Lewisia brachycalyx*.
23. *Claytonia perfoliata*.
24. " " var. ("*C. biloba*", n. sp.)
25. *Sphaeralcea emoryi* -

- 26 Malvastrum exile, Gray  
 27 Glossopetalon spinescens Gray  
 28 Larrea Mexicana  
 29 Acer grandidentata, Nutt.  
 30 Vitis Arizonica?  
 31 Krameria parifolia Benth.  
 32 Pedicularis subopposita.  
 33 Vicia exigua, Nutt.  
 34 Trifolium (Blandini - large!) = ~~trifolium~~ "  
 35 " eriocephalum var. (not subcaulescens!)  
 36 Horackia rigida Benth. var. ped. unifloris? = 1357 Wright.  
 37 " rigida ~~var.~~ Benth.  
 38 " rigida var.  
 39 " subpinata.  
 40 Dalea Johnsoni Watson.  
 41 Lupinus pusillus  
 42 " brevicaulis  
 43 " (Sileri) Kingii  
 44 Astragalus eriocarpus, Watson.  
 45 Astragalus arnetus Gray.  
 46 " (cyanus, Gray - good species.) amphioxys, Gr  
 47 A - atratus Watson, var.  
 48 " diphyus  
 49 " ~~stortianus~~ ! Pod attenuate at base = 46,  
 50 " Nuttallianus, var. canescens, more glabrous

51 *Astragalus mesacarpus*, Gray, var. *Parryi* <sup>foliolos</sup>  
<sup>legumeneque minoribus,</sup>

52 *A. lonchocarpus* Gray

53 *A. Soumei*, Gray

54

55 *Oxytropis campestris* (with fruit of *Astrag. Hornii*.)

56 *Prunus* (*Emplectocladus*) *fasciculata*, Gray

57 *Coleogyne ramosissima* Torr.

58 *Cercocarpus ledifolius*

59 *Cercocarpus* ~~*ledifolius*~~ *intricatus*, n.sp.

60 *Cowanix Mexicana*

61 *Hemichera rubescens*

62 *Ribes viscosissimum*

63 *Oenothera albicaulis*, var. (?) *decumbens*, n. var.

64 " *Johnsoni*, Parry, n. sp.

65 " *Trinivensis*

66 " *triloba*

67 " *gauraeflora*

68 " *alysoides*

69 " *albicaulis*

70 " *pterosperma*

71 " *chaenenerioides*

72 " *Parryi*, n. sp.

73 " *brevipus*

74 " *brevipus*, var. *parryiflora*, n. var.

75 *Petalonyx Parryi*, n. sp. (a little more wanted)

76 *Mentzelia multiflora*

77 " " var.

78 " — ? Quite different in habit growing together etc.

79 *Mentzelia* (Eucnide) *arvensis*? *parviflora* n. sp.

80. *Cymopterus purpureus*

1 *Glycosma occidentale*

2 *Ligusticum scopulosum*

3 *Peucedanum newberryi*, Watson

4 *Cymopterus terbinthinus*

5 *Peucedanum macrocarpum*

6 *Galium acutissimum* Kellogg  
" " *single* sp. *colorado* = *G. multiflorum* Kellogg

7 *Symphoricarpos longistylus* Gray

8 " *occidentalis* - form with high stamens & long style!

9 *Brickellia limprichtii* Nutt.

90 " *attractylodes* Gray

1 *Aster totifolius* Gray

2 *Erigeron bellidioides* Nutt.

3 " *stenophyllum*, var. *tetrapleumum* Gray

4 *Janssardia strigosa*.

5. *Solidago pumila* Nutt.

6 *Acanthopappus sphaerocephalus* Gray

7 *Aphropappus lineariifolius* DC.

" *franseria* = *frerivcentria*, Gray, *peculiar* sp.

8 " *dumosa* Gray

9 *Hymenoclea salicola* Gray!

100 *Munztilon bellidiflorum* Gray. The best find!!  
~~100~~ *Erucella* = *californica* ? yet!!

101. *Chenactis macrantha* D. C. Eaton.
- 102 *Chenactis stericoides*, H. & Arn.
103. *Chenactis carphoclinia* Gray, Mex. Bot.
- 104 *Aetideopsis lanosa* Gray
105. " *Wallacei* Gray
- 106 *Syntrichopappus Fremontii* Gray
- 107 *Hymenopappus luteus* Nutt?
108. *Thelasperra subsimplicifolium*, var. <sup>num</sup> ~~scapo~~
- 109 *Thelasperra subundatum*, n. sp.
110. *Gymnadenia Nuttallii*; (*Helianthus* <sup>flora Mex</sup> ~~multiflorus~~)
111. *Actinella Richardsonii*, var. ?
- 112 *Laya glandulosa* Hook. & Arn.
- 113 *Fessura borealis* Gray
- 114 *Psathyrotes annua* Gray
- 115 " *ramosissima* Gray
- 116 *Baileya Menisradiata* Gray
- 117 *Stylocline micropoides* Gray
- 118 *Tetradymia spinosa* Nutt.
